

News from the Governor of District 14

Dear fellow Zontians of District 14,

as your governor for the biennium 2020-2022, I want to welcome you to the second century for Zonta International. This century started with great challenges. The Corona Pandemic has forced us to postpone many of our activities. We were not able to meet as we used to. This is new and challenging for all of us.

Beirut

Just as we were starting our new biennium we heard of the tragic explosion in Beirut. Luckily none of our Zonta sisters in Beirut were injured. Our thoughts and prayers were and still are with them as they rebuild their city. Unfortunately Zonta International cannot help donate individually to the Zonta Club of Beirut. with any funds as we are not a first relief organisation. But if you want to help them in their efforts you can

About me

As we might not be able to meet in person in the weeks and month ahead, I want to introduce myself to you: I joined the Zonta Club of Aschaffenburg in 2002. Since then I supported my club as Vice President, Club President, Auditor and YWPA committee chair. I already became district secretary in 2004, which gave me an inspiring look inside the phenomenal work that Zonta International is doing not only on club level but also on an international level. Later on, I became the District 14 JMK committee chair, a position I fulfilled for eight years. After that I served as Area Director, Lt. Governor and now as Governor. I want to thank you all for putting your trust in me.

The Team

But I'm not alone, we have a great team in our district that is here to support you all in these challenging time. These women are willing to work hard to make this biennium a success. Please don't hesitate to contact them, if you have any questions. This is what we are here for.

An overview of all board members and committee chairs including their contact details can be found on the District 14 website.

Event

If Covid allows us we will have events next year where we can meet in person again. We will have a meeting exclusively for young Zontians hopefully next year. This is a meeting were the future generation of Zonta will meet and work together.

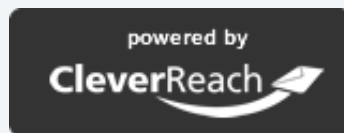

District Conference

In October 2021 we will hopefully all be able to meet at our District Conference. The Zonta Club of Aschaffenburg is working hard to organize a fantastic District Conference for you. We're looking forward to seeing you all in Aschaffenburg! I'm looking forward to working together with all of you. Against all odds let us turn this biennium into a good biennium for all of us and for Zonta.

Yours,
Isabel Christin Rameil
